About me

Hi! I'm Sophie, a freelance illustrator with over six years of experience in bringing characters and worlds to life. Ever since I was young, I've loved animation and storytelling, which inspired me to create fun and expressive artwork. I enjoy designing unique characters and immersive environments that connect with people and spark their imagination. My goal is to make every piece feel full of life, personality, and a little bit of magic.

Experience

Nerdy Banana —Illustrator & Concept Artist
-APRIL 2021-FEB 2025

I have illustrated a vibrant, imaginative book for Petzopia, featuring a diverse range of animal breeds and pets. Each colorful page captures their charm and personality, creating a heart warming experience for pet lovers of all ages.

Dudley FC—Illustrator & Concept Artist

I designed a 2D Red Robin mascot for Dudley FC, creating a vibrant character to represent and embody the spirit of the football team.
